

Mosquito Control Spraying to Begin June 12

The Town of Colmar Manor will begin receiving Mosquito Spraying next Tuesday, June 12, 2018. Spraying will take place each Tuesday night for the next several weeks. Spraying will be conducted after dark. The Town is not able to confirm an exact time for the spraying. If you are uncomfortable with the spraying, please keep all windows and doors closed and bring pets inside on Tuesday nights.

If you DO NOT want your property sprayed, please fill out the exemption form at <http://mda.maryland.gov/plants-pests/Documents/MosquitoControlExemptionForm.pdf>

Please contact the Town with any questions you may have.
