The COVID-19 Health Emergency has brought many changes including cancellation of most activities and reducing direct contact with the public. People have been dramatically impacted and may need assistance. We continue to with food distribution at Town Hall and with deliveries to households when needed. These efforts will continue for the foreseeable future. If you need food or other assistance please contact Renee Watts at 301-277-4920 or rwatts@colmarmanor.org

Colmar Manor residents: are you receiving text or e-mail notifications of food distribution and other important information related to Colmar Manor? If not, send your contact information to info@colmarmanor.org and we'll keep you informed.

CODE COMPLIANCE MONTHLY REPORT

Code Enforcement has been working to identify residences placing their recyclables curbside in plastic bags. Plastic bags inhibit the processing of the recyclables and are prohibited. Our recycling contractor will no longer pick recyclables containing plastic bags.

Many of our residents have acquired a four-legged friend or two in recent months. Dog and cat ownership comes with responsibilities including keeping them on a leash and cleaning up after them (required by County and Town ordinances - \$50 fine). Colmar Manor has 10 pet waste stations throughout the community for your convenience and is looking to install more (map available at www.colmarmanor.org).

Litter has also become a noticeable problem in Colmar Manor. We will be launching informational campaigns soon on topics including litter, pet waste, leash laws and parking regulations.

Our Code Compliance Officer, Barry Wade, may be contacted at 301-779-5491 or bwade@colmarmanor.org if needed.
